

Presentation Rubric (50 Points Total)

Criteria	Exceeds Standard (10)	Meets Standard (8)	Developing (6)	Below Standard (4)
1. Content & Accuracy	Information is accurate, thorough, and shows deep understanding of the topic.	Information is accurate and covers the main points well.	Information has minor errors or lacks important details.	Information is largely inaccurate or incomplete.
2. Organization	Slides follow a logical sequence with a strong intro/conclusion. Total deck is exactly 5 slides or fewer.	Slides are organized and easy to follow. Total deck is 5 slides or fewer.	Organization is unclear. Presentation exceeds 5 slides, making it hard to follow.	Presentation is disorganized. Slide count is far over or under the 5-slide limit.
3. Visual Design	Slides are clean, uncluttered, use high-contrast colors, and feature purposeful images.	Slides look neat and use appropriate visuals that do not distract.	Slides are too busy, plain, or text-heavy.	Slides are messy, hard to read, or lack visual design.
4. Mechanics & Text	Zero spelling or grammatical errors. Bullet points are short and punchy.	Very few errors. Text is mostly concise and clear.	Several spelling or grammar errors. Too much text on slides.	Many errors. Slides are full of dense paragraphs read aloud.
5. Delivery & Speaking	Speaker makes eye contact, speaks confidently, and hits the 2.5 to 5-minute target perfectly.	Speaker speaks clearly, knows the material, and stays within the 2.5 to 5-minute range.	Speaker reads directly from slides and runs slightly under 2.5 minutes or over 5 minutes.	Speaker is unprepared, unclear, and is significantly under 2.5 minutes or over 5 minutes.
